# Wood Stairway Railings

Wildcat Wood of beautiful Bonners Ferry, Idaho has been in the log railing business since 1991. We specialize in log railings, log beds and log homes. Each piece of work is customized to your specifications. We only use dead-standing lodge pole pine with each piece being peeled by hand in the old-fashioned way using a hand-held drawknife.

Not only are our log railings the perfect match for any home, they also provide a beautiful, rustic wood accent that will attract compliments for years to come. And check out log stairways! Hand crafted with attention to detail and meticulous craftsmanship, they provide a unique signature look that immediately lends warmth and style to any design. Wildcat Wood has 23 years of experience in log railings, log stairways, log mantles and log beds. We also provide many custom log pieces. Using only the highest quality materials, we also offer friendly customer service and follow through that you won't find anywhere else!

Wildcat Wood is a family run business. Now with a store open in Bonners Ferry, you can come in and pick up your item or browse our store for something else.

# Handcrafted Log Rails

Since 1991, we have been processing custom, draw-knife, handcrafted log railing and posts in the Amish tradition of quality craftsmanship. Each section is assembled, banded, shrink-wrapped and numbered for easy installation. We use only dry lodge-pole pine from the Inland Northwest. We have several different styles of railing to choose from. We receive a 50% discount on our freight shipping costs. We can easily provide you with an estimate on your shipping charges. So look over our site and if you don't see what you're looking for or have questions, give us a call. Remember that we ship Nationwide and to Canada as well.
